

MEM_dispose_storage_func

```
graph LR; A[MEM_dispose_storage_func] --> B[MEM_free_func]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'MEM_dispose_storage_func'. The right box is white and contains the text 'MEM_free_func'. A dark blue arrow points from the right side of the gray box to the left side of the white box, indicating a pointer or mapping relationship.

MEM_free_func
